INFLIGHT SUPPLIES

*Let's make flying...a luxury*

## INTRO

**“It’s easy to make a buck. It’s a lot tougher to make a difference”** **TOM BROKAW**

As quoted above, we have made a difference in the field of in-flight supplies through dedicated service to our customers. We believe business is successful only when we are able to bring a smile to our customers’ face. We started in-flight operations in the year 2002. The reputation & market presence of our mother company, estd. in 1955, was the perfect launch pad which helped us start by serving the leading airlines in the middle-east region. From then on success has followed us & we acknowledge this as ultimate customer satisfaction with our products & services. Today we proudly cater to some of the leading airlines of the world & design innovative products for them which have helped a few airlines to make a difference in their catering styles. Our manufacturing facilities & experienced staff have played a major role in our development. We wish to continue our service to the airline fraternity & make every flight a memorable experience.

## OUR MISSION
